

World of Application

Let's mix
them together

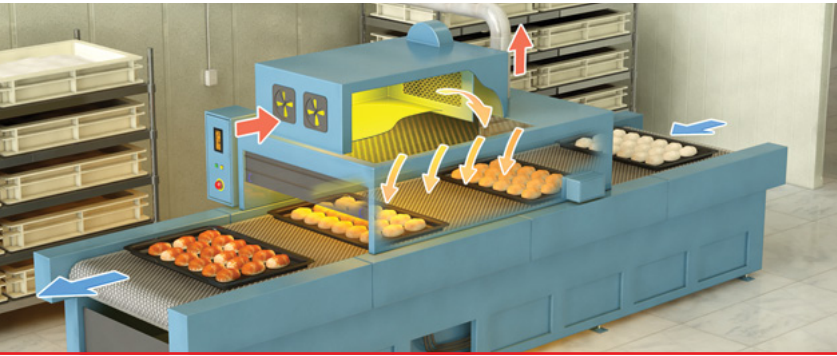

and create
your own story.

dołącz do nas:

Food Industry

Heating Conveyor Application

Features:

- PID Regulator with Heating or Heating\Cooling functions
- Precise Temperature control with 0,5 degree accuracy
- Heater current monitoring Function
- Clear data representation via GT2104's 4.3 inch display

Wood Industry

Wood cutting and optimization machine

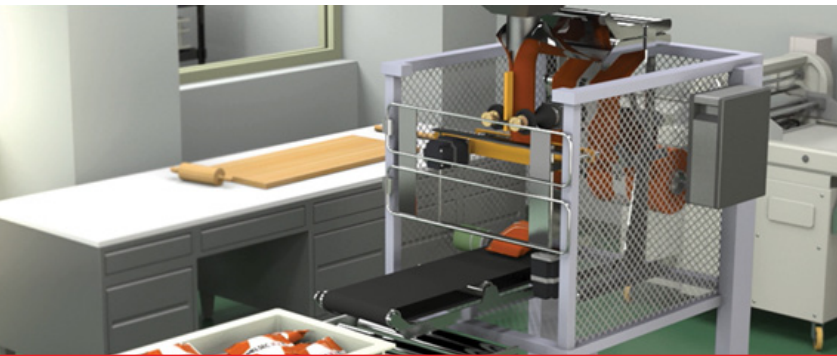

Features:

- Simple Motion module with CAM Function to control saw movements
- Simple Motion Module with Mark Detection Function to detect wood defects
- Remote access to machine by Mobile devices
- Recipe functionality for different orders request
- Optimization of wood cutting by dedicated algorithm

Packaging Industry

Vertical Packaging Machine

Features:

- On fly cutting and welding thanks to axis synchronization (up to 8 axis)
- CAM function generation for different package size
- Mark Detection function allow cutting always in right position
- HMI Recipe functionality for different products
- PID regulation for welding part

Printing Industry

Printing Machine

Features:

- HMI with Recipe, Data Logging function, and typical setup
- All axes with Servo Drives with synchronization for better Winding control
- CC-Link connection - Effective data communication
- Mark detection function for precise die cutting
- FB dedicated for each axis

GX Works3

PRICE: 299 €

iQ-F + Software

Integrated Functions

- Built-in Analogs
- Built-in SD Card Slot
- Built-in RS-485(MODBUS®) Communication
- Built-in Ethernet port
- Built-in Positioning (4-Axis built-in)

SAP No	Name	Description

314328	FX5 Promotion Kit 3	FX5U-32MR/DS+GX Works3 V01-2L0C-E-UPGRADE
314329	FX5 Promotion Kit 4	FX5U-32MT/DSS+GX Works3 V01-2L0C-E-UPGRADE

PRICE: 599 €

iQ-F + Software + GS2107

GS2107 Simple Series

- Simple yet advanced functions
- Easy to use and highly reliable HMI
- Highly compatible design with MELSEC-F Series
- Enhanced graphics

SAP No	Name	Description
314330	FX5 Promotion Kit 5	FX5U-32MR/ES+GS2107-WTBD Add on Kit
314331	FX5 Promotion Kit 6	FX5U-32MT/ESS+GS2107-WTBD Add on Kit

if you count for more let us Rock Your Machine

Simple Motion Module (4-Axis module)

Basic Positioning Control

- Positioning control is easily executed using a point table
- The machine can coat the workpiece by using a combination of linear interpolation, 2-Axis circular interpolation, and continuous trajectory control
- A smooth trajectory can be traced with the S-curve acceleration/deceleration function

Advanced Motion Control

- Advanced synchronous control
- Cam auto-generation
- Mark detection

PRICE: 639 €

Set No.	Code	Name
314326	298575	FX5U-32MT/DSS-SM
314327	298576	FX5U-32MR/DS-SM
314328	298577	FX5U-32MT/ESS-SM
314329	298578	FX5U-32MR/ES-SM

- There are no Limits for the customer according to number of ordered sets.
- Price is fixed and there is no additional discount.
- Promotion valid until the end of the year 2018.
